

EDUCATION

University of Maryland, College Park

Applied Mathematics PhD Student, GPA: 3.89

– Application Area: Quantum Information

College Park, MD

2020–Current

SUNY Brockport

B.S. in Mathematics and Physics, GPA: 4.00

– Thesis: “Spectral properties of quaternionic unit gain cycles.”

– Member of the Honors college

Brockport, NY

2016–2020

EXPERIENCE

Los Alamos National Laboratory

Quantum Computing Summer School Fellowship

Advisor: Dr. Yigit Subasi

– Project title: Generating Polynomials of Density Matrices

Los Alamos, NM

Summer 2021

University of Maryland

Training and Research Experiences in Nonlinear Dynamics (TREND) REU

Advisors: Dr. Michelle Girvan, Dr. Ed Ott, Dr. Thomas Antonsen

– Project title: Predicting Network Dynamics with a Parallel Machine Learning Approach

College Park, MD

Summer 2019

University of Rochester

Photonics REU

Advisor: Dr. Benjamin Miller

– Project title: Finite-Element Modeling of Waveguide Structures Using COMSOL Multiphysics

Rochester, NY

Summer 2018

GRADUATE COURSEWORK

- **Computer Science:** Intro to Quantum Information Processing, Quantum Algorithms, Quantum Error Correction and Fault-Tolerance*, The Foundation of End-to-End Quantum Applications*
- **Mathematics:** Algebra I and II, Analysis I, Complex Analysis, Scientific Computing I*

*—to be completed through Fall 2021

COURSE PROJECTS

- The Foundation of End-to-End Quantum Applications: Applications of block encodings in quantum computing Fall 2021
In progress.
- Quantum Error Correction and Fault-Tolerance: Group algebra structures in classical and quantum cyclic codes Fall 2021
In progress.
- Quantum Algorithms: Hidden subgroup problem for semi-direct product groups Spring 2021
- Artificial Intelligence: Developing a novel classifier using reservoir computing methods Fall 2019
Completed at SUNY Brockport. See [4] on first page for conference publication.

LANGUAGES

- **Intermediate:** MATLAB, Python, Java
- **Beginner:** Bash, LabView, COMSOL RF Module

TEACHING

- **Graduate Teaching Assistant** for *Precalculus* at University of Maryland
- **Math Tutor** at SUNY Brockport

SCHOLARSHIPS AND AWARDS

- Aziz Osborn Gold Medal in Teaching Excellence 2021
- University of Maryland Dean's Fellowship 2020
- SUNY Chancellor's Award for Student Excellence
 - Recognizes model students who have integrated academic excellence with other aspects of their lives and is the highest honor bestowed upon a student by the State University of New York system. 2020
- School of Arts and Sciences Outstanding Undergraduate Award
 - Recognizes the School of Arts and Sciences's top undergraduate student. 2020
- Brockport Honors College Scholar Award 2020
- Robert E. Hall Memorial Scholarship for Mathematics 2020
- Department of Computer Science Undergraduate Research Award 2020
- Belva A. Waite Memorial Scholarship 2019, 2016
- Interdisciplinary Award in Mathematics 2018
- Harvard House Award 2018
- Brockport Physics, Mathematics, and Computer Science Award 2018, 2017
- Dean's Citation for Diversity, University of Rochester 2018
